

# Kindergarten Registration

## 2021-2022

Dear Hudson Families,

Welcome to the Hudson Public Schools Class of 2034!

The Hudson Public Schools is pleased to announce the opening of Kindergarten registration for the 2021-2022 school year. All children living in Hudson, who will be five years old on or before August 31, 2021, are eligible to enter the Hudson Public Schools in the fall of 2021. The District offers free, full-day kindergarten for all age-appropriate children.

To enhance the portfolio of options for families, the District is pleased to announce the opening of its first Dual Language Program next year at Farley Elementary School. We will start with two Kindergarten classes and use a 50-50 model, in which students will have 50% of their instructional time in English and 50% in the partner language, Portuguese. The program promotes bilingualism, biliteracy, cross-cultural competency, and high levels of academic achievement.

For your convenience, we attached general instructions and the necessary documents to help you get started with the process. All required documentation must be provided at the time of registration.

For more information and for access to the enrollment packet, please visit [www.hudson.k12.ma.us](http://www.hudson.k12.ma.us), click on "Parents" and then click on "Registration."

We look forward to working with you and your Kindergartener. Meanwhile, if you have any questions or need further assistance, please contact Paulo Murta at (978) 567-6100 x-41153 or via email at [PpMurta@hudson.k12.ma.us](mailto:PpMurta@hudson.k12.ma.us).

If you do not plan to register your child with the Hudson school district, please contact Paulo Murta so that we can exclude your child from the Kindergarten eligibility list.

Sincerely,

Marco C. Rodrigues, Ed.D.  
Superintendent of Schools
