

Fundraising at Farley & Where Your Fundraising Dollars Go

Your Farley Home & School Association works hard every year to provide much needed resources for our school. Since the discovery of the *Boosterthon* Fun Run, our H&S has brought in over \$72,000 from the last 3 years combined and a little over \$10,000 from our Farley Giving Drive to help support our school community! This has been so successful that we have dropped all of our additional fundraisers and we make this our primary fundraiser for the year. Helen Keller said “ Alone we can do so little; together we can do so much.” Thank you for your ongoing support of our community. **SAVE THE DATE** for our Fun Run fundraiser on September 29th-October 10th, 2021.

The Fun Run incorporates a two week character program that introduces social emotional learning through live presentations and videos. For example, it teaches students about kindness, teamwork, being truthful amongst many other positive traits. This program also provides teachers with videos for the classroom breaks that incorporate fitness, S.T.E.A.M., and Positive Behavioral Interventions Support(PBIS). But as many Farley families know, the highlight of the *Boosterthon* Fun Run is the Event Day. Where students and teachers will have a Fun Run full of dancing, exercise, and over course fun!

We thought you might like to see what those efforts have done for our school over the years
